

Dear Families,

Regarding the COVID-19 health concerns I want to make sure you all are aware that we are doing our best to ensure The Christian Sandbox Preschool & First Baptist Church are staying on top of the any quarantines, closures, or other health measures.

Regarding school closures, as of Monday, March 23rd, Governor Tom Wolf declared all PA schools an additional two weeks of closure. As this might be a headache for some please understand that this is to make sure your children and others at home stay safe. Our teachers are currently working on packets to be sent home to each of you by the end of this week. We encourage you to continue working with your child helping them grow in a multitude of ways. Make memories they will cherish!

A couple reminders for everyone in your household of the importance of practicing everyday preventive actions that can help prevent the spread of respiratory illnesses:

- Avoid close contact with people who are sick.
- Stay home when you are sick, except to get medical care.
- Cover your coughs and sneezes with a tissue.
- Clean frequently touched surfaces and objects daily (e.g., tables, countertops, light switches, doorknobs, and cabinet handles) using a regular household detergent and water.

If you should have any questions, please contact me. Visit our church website www.fbcwaynesburg.org or our Facebook page for ideas to do with your kids at home!

Blessings,

Jennifer Lash
